From

The Race Committee

---

In view of a poor wind forecast for the afternoon on Sunday 27<sup>th</sup> May, the first warning signal will be displayed at 08:30hrs. There will not be a Skippers and Support Boat driver briefing in the morning before racing, although the RC will be available to answer any questions just prior to a 0715hrs dock out for the Committee Boat. It intended to sail a number of races and then come ashore and then re-launch in the afternoon if the conditions are suitable.

Details of any on-board guest sailing and Anonimo Speed Challenges will be provided once we arrive ashore after the morning racing session.
